Nut Allergies

All school employees, parents and the community should understand that peanuts, tree nuts or nut products must not be used in any way in teaching and learning activities, including as rewards or treats.

Eden Public School requests that parents do not send nuts or nut products to school with their children.

Mental health basics: Suggestions for families

Provide security

Various kinds of stress and change can be very disruptive to family life. Maintaining regular routines, such as bedtimes and mealtimes, reduces disruptive impacts and helps to provide a sense of stability and security for children. Similarly, children are reassured by knowing that a responsible adult is taking care of them and looking after their needs.

Consulting with community.

Change of venue: Now to be held in the school Library

Consulting with our community is an important part of our planning for 2016. We would love your input at a session to be held at school on **Thursday the 12th of November at 5pm in the school library.**

It would be great if you could start thinking about any ideas you have to make our great school even better.

A light afternoon tea will be provided and all attendees will get a ticket in the lucky door prize.

Look forward to seeing you there.

Have a great week,

Mathletics Update Week 6

Another successful week for Mathletics at Eden Public. We had 1 student achieve their Gold Certificate and 5 students achieve their Silver Certificates. We also had 43 Bronze Certificates achieved last week. Well done everyone! Remember to get a Silver certificate you must get four Bronze certificates. Bronze certificates are earned by **getting 1000 points in a week** (Monday morning to Sunday night), about 5-10 activities in total. Just check the rocket ship to see your weekly progress.

Congratulations also goes **1/2C to who were last week's leading class with 19 certificates**. Second place goes to 3/4K (16) and third place to 5/6D (6). Just remember students have full 24hr access to Mathletics on the Internet.
