FROM THE PRINCIPAL

Principal Report

Parent Feedback

Thank you to all the parents who have completed our Parent Feedback Survey. The school is still in the middle of the planning phase for 2016. There will be some changes to the way the school is structured for 2016. At this stage, the major change will be the removal of the targeted class model. New programs and structures will be implemented to cater for all student's learning abilities. The new model will be mainstream classes in each stage. This will allow for equity in learning for all students.

The school will continue to focus on Quality Teaching and Learning, Leadership and Management and Equity and Well-Being.

Reports

Reports are due to go home at the end of this week. Please check your child's bag on Friday to ensure it arrives safely.

Any parents who are wishing to discuss their child's end of year report with the class teacher need to make an appointment through the office to arrange a suitable time.

Swimming Scheme

It is a pleasure to see all our Year 2 students and some of our Stage 2 and 3 students attend the annual School Swim Scheme. This is a very valuable program that teaches very important skills. Thank you to all the staff who are supporting this very important program and a very special thank you to Mrs Darmanin for all her organisation of the program.

End of Year Activities.

As we are quickly approaching the end of the year and the students become involved in a variety of different activities; swimming, movies, class parties, luncheons, performances, etc, it is of utmost importance that students remember to use their school values.

MATHLETICS

Update Week 9

Another successful week for Mathletics at Eden Public. We had 1 student achieve their Gold Certificate and 7 students achieve their Silver Certificates. We also had 34 Bronze Certificates achieved last week. Well done everyone! Remember to get a Silver certificate you must get four Bronze certificates. Bronze certificates are earned by getting 1000 points in a week (Monday morning to Sunday night), about 5-10 activities in total. Just check the rocket ship to see your weekly progress.

Congratulations also goes 3/4K to who were last week's leading class with 20 certificates. Second place goes to 5/6D (13) and third place to 1/2C (10). Just remember students have full 24hr access to Mathletics on the Internet.

This Week's PBL Winners

Elective Sport Program 2015

This Friday, students in Stage 2 and 3 will be participating in their final elective sports activity. I would like to thank the students for their level of participation, and the teachers for providing the opportunities for these activities to occur. Finally, I would also like to thank the Eden Country Club and the Eden Tennis Club for the use of their facilities during our elective sport program.

P&C Christmas Raffle!

Just a friendly reminder to return your raffle tickets to school when they are sold. We have amazing prizes this year (1st Prize an iPad Mini) – you have to be in it to win it!

YEAR 6 CAKE STALL

I would like to send a big thank you to all the parents, carers and students who donated cakes, biscuits and yummy goodies to the Year 6 Cake Stall last Friday. It was a huge success! The funds raised will ably the gift to the school on Presentation Day.
