Principal Report

The NSW Literacy and Numeracy Strategy (2017-2020) committed an additional \$340 million for the next four years to maintain and extend the focus on instructional leadership. Early Action for Success (EAFS) Phase 2 will be the Department's implementation of the 2017-2020 Strategy.

Early Action for Success Phase 2 will build on the achievements of the first phase of the strategy, to improve students' performance through a targeted approach in the early years.

Key features of Early Action for Success

- instructional leadership
- personalised learning
- assessment for learning
- targeted interventions
- high quality professional learning with a focus on the early years of schooling K-2.

Eden Public School has been appointed with a 'four day a week' position as a Deputy Principal Instructional Leader Literacy and Numeracy for K-2. This position has been filled this week and the school is very pleased to announce that Mrs Kara Duncan was the successful applicant.

CONGRATULATIONS to Mrs Duncan on your new appointment for 2017.

Mobile Dental Van

Students have been attending the Dental Van this week. We are very fortunate to have this service for our students.

This is a free service if you are covered through the Medicare Child Dental Benefits Schedule. Parents would normally get a letter from Medicare informing them that funding is available. If you do not know if you qualify for the CDBS, then parents are able to tick a box for the Dental team to find out on your behalf. The team will advise parents of the outcome. Please make sure you read the consent form carefully and make sure you tick the correct boxes. Should you have any questions or concerns about the van or the service that it provides, please do not hesitate to contact the school or the Dental Van directly on 0297614700.

Perth to Pambula: Dane Waites

Perth to Pambula elite runner Dane Waites visited our school yesterday, to personally thank the pupils for their support. Our students raised over \$100 to contribute to an Autism awareness. Well done Eden Public School.

School Hat Policy

Our school has a **NO HAT NO PLAY** rule. Students who do not have a school hat to wear in the playground must stay under the shade of the COLA. **Caps are not accepted.**

Please make sure your child has a hat at school each day.

Joke Corner

Q: What stays in the corner and travels all over the world?

A: A stamp!

Have a wonderful week.

Another successful week for Mathletics at Eden Public. We had 6 students achieve their Silver Certificates. We also had 26 Bronze Certificates achieved last week. Well done everyone! Congratulations also goes **3/4A were last week's leading class with 16 certificates.** Second place goes to **1/2B (7)** and equal third place to **5/6L (2), 5/6H (2)** and **K/3D (2)**. Just remember students have full 24hr access to Mathletics on the Internet.
