Principal Report

Today I felt honoured and proud when attending the Leader speeches for 2017. A very courageous group of fine Stage 3 students presented their speeches for the leadership positions at Eden Public School in 2017. Congratulations to every single one of those students, you represented your school with dignity.

Bus Travel

The school is working very hard to support positive behaviour on the school buses to and from school. It is really important that students are responsible and respectful at all times on the school bus, as it is the driver's job to transport children safely. The driver should not be distracted by students doing the wrong thing. It would be very helpful if all parents could please talk to their children about the importance of safe and appropriate behaviour on the bus. Students whose behaviour does not meet the expectations will be suspended from catching the bus by the bus company. Please be aware that if you have any concerns about the buses to or from school, you should talk to the bus company.

Positive Behaviour for Learning

All teachers are very proud of the children who use the Eden Public School values of **RESPECT, RESPONSIBILITY AND RESILIENCE.**

At this time of the school year, things can become somewhat hectic with a range of different activities on the school calendar. This is a timely reminder for all our students to remember their values and continue to strive to be the best possible member of our school community.

Q: Why did the picture go to jail?

A: Because it was framed!

Have a wonderful week

The simplest way

...to understand UV radiation.

What is UV?
Ultraviolet (UV) radiation, emitted by the sun, is the main cause of skin cancer. UV radiation can be dangerous even on cool and cloudy days.

Did you know?
Ultraviolet (UV) radiation can damage skin when it reaches levels of 3 or above.

Staying safe when the UV is three or above:
-Download the SunSmart app or use the online widget (www.sunsmart.com.au/uv-sun-protection/uv/widget) to find out the exact hours to use sun protection.
-Generally, the UV levels will be above 3 throughout the day from October to March. So minimise time outside from 11am – 3pm (DST) and use sun protection when outdoors (Slip, Slop, Slap, Seek, Slide).

SCHOOL SWIMMING AND WATER SAFETY PROGRAM

Reminder that all swimming notes need to be returned to school ASAP. If you need a new note, please pick one up at the office. Could all year 2 students please wear swimmers underneath their uniform so they are ready for a 9.15am start. Don't forget your **towel** and your \$3 (unless you have a pool pass). You can also pay the \$30 upfront for the 2 weeks.

Thank you for your support!

COMMUNITY NEWS

WALK AGAINST VIOLENCE EVERYONE!! Thursday 8th December Community Event

- 60 crosses will be carried to signify women and children who have lost their lives to domestic and family violence this year.
- The crosses will be planted at the gardens followed by a minute's noise because we will not remain silent about domestic violence.

Please join us and SAY NO TO VIOLENCE IN OUR COMMUNITY meet at Kisses Lagoon at 11.15 for 11.30 to join the walk to Littleton Gardens

The concept of “non-violence” and “peaceful communities” will be demonstrated by floating lanterns in remembrance of victims of domestic violence. The event will be held as part of 16 days of activism to stop violence, which encompasses *White Ribbon Day* and *World Peace Day*.

This is an initiative of The Bega Valley Domestic and Sexual Violence Committee. For more information, please contact Gabrielle Powell 6492 1367.
