Principal's Report

Last week I felt honoured and proud when attending the Leader speeches for 2018. A very courageous group of fine young Stage 3 students presented their speeches for the leadership positions at Eden Public School in 2018.

Congratulations to every single one of those students, you represented your school with respect and dignity.

Bus Travel

The school is working hard to support positive behaviour on the school buses to and from school. It is critically important that students are responsible and respectful at all times on the school bus, as it is the driver's job to transport all children safely.

It would be very helpful if all parents could please speak to their children about the importance of safe and appropriate behaviour on the bus.

It is every student's responsibility to behave in a manner that ensures the safety and comfort of passengers and drivers.

This includes:

- Use appropriate language not offensive or racist language
- Fighting, spitting, feet on seats, throwing things in or from the bus is not permitted
- No eating or drinking (other than water) - unless for medical reasons or the bus operator gives written permission.
- Offer seats to adults including people with a disability, elderly or expectant mothers
- Do not push or shove other people
- Do not bully or harass other passengers or the driver
- Avoid attracting the attention of the driver except in the case of emergency
- Do not play music at such volume that it may distract the bus driver or other passengers.

COMMUNITY PLAYGROUP

Our community playgroup runs on a Wednesday morning from 10am to 12pm and it's FREE!

In the last few weeks at Playgroup we have tweaked and changed our program in response to families and children's voices, advice and opinions. Together we all make up our community playgroup. We strive for a sense of belonging, knowing that when children and families feel belonging...connection and fun times in learning together follow. This week we are off on a whale watching adventure! This excursion is for all families currently enrolled in our playgroup. Please let us know via our Facebook Page if you are coming along.
