## PRINCIPAL REPORT

### **Education Week – Celebrate with Us – Thursday 9<sup>th</sup> August**

This week is Education Week and to celebrate, we will be having open classrooms, a special assembly and a sausage sizzle on Thursday. Classrooms will be open from 10:20am, with the assembly starting at 10:50am and the sausage sizzle being ready 11:30am. Please make sure your child has returned their note regarding the Education Week sausage sizzle.

### **SCLC Performing Arts Festival**

Tonight at 7pm, students from our school will be performing in the Combined Choir and in two items to showcase the music programs at Eden PS. Tickets, \$15 each, will be available for pre-purchase online via the “TryBooking” website ([www.trybooking.com](http://www.trybooking.com)) or at the door tonight.

Students who are performing, will be required to be at the Bega Civic Centre by 6:30pm, ready for the festival to begin at 7pm. Performing students must wear their full school uniform to this event. All students must get their name marked off by Mrs Bool, or another EPS teacher, on arrival and departure. I would personally like to wish all the students the best of luck, but most of all for them to enjoy the performance.

### **School Uniforms**

A few students have started wearing casual clothes, including caps, to school. Please be aware that this trend does not represent the school’s uniform policy. The Eden Public School uniform includes: a blue school polo shirt, grey shorts or pants, girls may also wear a check tunic/shorts or pants, and a bucket hat. A blue jumper, hoodie or wind jacket is advisable in the cooler months. These items can be purchased from the P&C. Remember, wearing a school uniform enables a child to feel a part of the school and more comfortable with fellow pupils. Our aim is to develop spirit and pride in the school as part of the Eden Community. Thank you for your support with this matter.

SUPA Club, an exciting lunchtime group for Years 5 & 6 will start in the Library at lunchtime, on Friday August 24<sup>th</sup>. Scripture teachers Mr Dixon and Captain Ray (Flint) and another female leader will lead SUPA Club (Scripture Union Primary Age Group). Possible activities include games, activities, skits, quizzes, Bible stories, singing and craft. Attendance is voluntary and students will need to bring a signed permission note. (Information that is more detailed is provided in the permission note.) Permission notes can be obtained from the front office.

Have a wonderful week,

## What are numbers?

Number talks are short daily routines that help students to develop strong number sense. As a result of these daily number talks, the students in KP have grown in their understanding of how numbers work, what they mean, and how they relate to one another and to the world around us.

Dot card talks are just one example of these short daily number routines and they are always a hit in KP! This routine involves students being given a quick glimpse of the dot card. They are then asked how many dots they saw and how they came up with that solution. Students use a wide variety of strategies such as subitising (seeing groups of numbers without counting), doubles, friends of 10 skip-counting and known number combinations.

Below is an example of one of our recent dot talks and the clever solutions that the students in KP came up with.

"I know my doubles, so I could see quickly that 4 and 4 makes 8, plus 1 more makes 9." *Jack Weber*

"This is a 10 frame so if it was full it would have 10 dots. But there is 1 missing so 10 take-away 1 equals 9."

*Lincoln Pearson*

"5 plus 4 is a sum I know. The answer is 9. It would be the same if you added 4 plus 5. It doesn't matter which order you put the numbers in, the answer is always the same."

*Keira Haenig*

"I counted by 2s. 2, 4, 6, 8 plus 1 more makes 9."

*Phoenix Dalton*

"I saw 2 groups of 4 plus an extra one. It makes 9 altogether."

*Ivy Timms*

Ivy, Jack, Lincoln, Phoenix and Keira are all smiles after doing their Dot Talk!

**Another successful week for Mathletics at Eden Public! Congratulations to the 4 students who achieved their Silver Certificates and the 21 students who achieved their Bronze Certificates last week. Well done everyone!** Remember to get a Silver certificate you must get four Bronze certificates. Bronze certificates are earned by **getting 1000 points in a week** (Monday morning to Sunday night), about 5-10 activities in total. Just check the rocket ship to see your weekly progress.

Congratulations also goes to **2E who were last week's leading class with 5 certificates**. Second place goes to 4C (2), with equal third place to 1D (1), 3E (1), 5C (1) and 1C (1). Just remember students have full 24hr access to Mathletics on the Internet.

# Athletics Carnival 2018

Congratulations to our **winning house Boyd!** It was fantastic to see such a large number of students competing in so many events. The sportsmanship and level of competition is a tribute to the students of Eden Public School. Well done to everyone who competed. Extra congratulations go to our age champions: **Boady Dunne** (Junior Boy), **Jayde Jackson** (Junior Girl), **Seth Cheer** (11Year Boy), **Maeve Donaldson** (11Year Girl), **Ashton Flint** (Senior Boy), **Nikeysha Landsborough** (Senior Girl).

Thank you to all the parents who attended the carnival and cheered on the students. A special thank you is given to the staff who worked tirelessly on the many jobs required to make the carnival come together and the parents who either assisted or offered to assist during the carnival. Thank you is also given to the P&C who operated the canteen on the day.
