Principal's Message

Welcome back for Term 3, 2019

It is wonderful to be back at school after having sometime away last term. I would like to acknowledge the work of all the staff, in particular Mr Simon Taylor in keeping everything at school ticking along like clockwork. I feel very privileged to be working with such a wonderful team of professionals. The students and staff all seem quite excited to start this new term, with some overnight excursions to Kianinny (Stage 2) and Berry (Stage 3) planned for the end of this term.

This 10 week term also includes many other exciting activities such as; Book Week, Book Fair, book parade, infants athletics carnivals, the spectacular SCLC Art show, Eden Idol and Education Week. These activities, combined with a focus on STEM (Science Technology Engineering and Mathematics) provide excellent opportunities for our students to shine, experiment and explore.

School Grounds

In my absence, much has happened on the school grounds. Thank you to the work of our local volunteer team, ESSCI who have worked tirelessly to remove and relocate some of the old school playground equipment. This has been a massive task and the volunteers are close to completing the project. I would personally like to thank ESSCI for their work and dedication and commitment to the school improvements. In time the school is hoping to purchase new playground equipment.

In the interim, this will allow the students to have more play space for running and ball games.

I would also like to acknowledge the work of Mr Marty Harris, who has completed many projects on the school grounds and in the gardens. Recently, Mr Harris revamped the entry garden into the school. It looks wonderful and is very welcoming.

Alongside all this work, supporting each and every grounds improvement project is the helping hand and experience of Mr Alan Westley. He takes pride and care in all that happens at our school. We thank Mr Westley for all he does for the school and the students and for keeping our school looking fabulous.

Education Week

Education Week starts on August 5th and concludes on August 9th. The theme of Education Week is **'Every student, every voice'** and this year, at Eden Public we will be having a special assembly. Parents and family members are welcome to attend so they can see some of the exciting things that are happening at EPS.

Education Week Assembly @ Eden Public School. Thursday 8th August, 2019.

Staffing news

I would like to welcome Mrs Fiona Fulton to our fulltime staffing. Mrs Fiona Fulton will be the classroom teacher on 3/4D for the remainder of the year. The staff and students of Eden PS would like to acknowledge the work of Miss Michelle Dixon for the first half of this year and wish her all the best in her future.

I would also like to welcome Miss Mahli Jackson on board as a permanent member of our staff at Eden PS. Miss Jackson has been the classroom teacher on 2J for the beginning of this year and will remain on that class. We are delighted to have Miss Jackson as part of our teaching team and look forward to an exciting partnership.

Have a wonderful week,
Tanja Vogt
Principal

The Eden Public School local WriteOn competition closed at the end of last term. It was very exciting to read the wonderful short stories that all of our students produced about the theme. There were a variety of inventive and creative responses that showcased the very best writing that our students can produce. Several students were placed on a shortlist from which the judges have chosen the winners. The first place winner from Stage 1-3 have been entered into the National Education Standards Authority, Australia wide WriteOn competition.

Congratulations to our 2019 shortlisted writers!

I would like to congratulate all the students who used Mathletics during the school holidays. It was very pleasing to see 9 Silver Certificates and 46 Bronze Certificates achieved over the two weeks. Well done everyone! Remember to get a Silver certificate you must get four Bronze certificates.
