Principal's Message

Education Week

I was very proud of all our students at last week's Education Week Assembly. It never ceases to amaze me how many talented children we have and what an exciting future lies ahead for all our students.

Congratulations to all awardees, congratulations to our musicians, our leaders and every student on their excellent behaviour at the assembly.

A special CONGRATULATIONS to Anthony Seach who was identified as a talented AFL player and has been provided with an opportunity to be part of the International Touring Squad that will be touring in Fiji in December 2020.

Also, special CONGRATULATIONS to Coby Heron who was a Gold Awardee in the NESA 'WriteOn' competition. Coby has been invited to Sydney to attend a formal presentation.

Parent's guide to Online Safety

Many parents and caregivers **feel out of their depth** when it comes to understanding their children's use of devices and the internet. The **Office of the eSafety Commissioner** has published new resources aimed specifically to help them, with tips and advice on ensuring safe and enjoyable experiences online. [The resource is available for access via a browser](#) and downloads are available in multiple languages. In addition, for parents unfamiliar with using computers, [a free hardcopy can be ordered](#), again in different languages. The resource is highly recommended.

Tell Them from Me Survey

This survey will be open to parents from the 26th August. More information will be provided as the time gets closer. I would like to encourage parents to support our school by completing this survey. The information provided to the school is very valuable in our planning for 2020. The *Partners in Learning* parent survey is part of the *Tell Them From Me* suite of surveys on student engagement. The parent survey helps to clarify and strengthen the important relationship between parent and school.

Have a wonderful week,
Tanja Vogt

FETE DAY

We had a very successful fete day on Friday, despite the wind and the lack of a jumping castle! Many thanks to the students of Stage 3 for their awesome efforts, to all the parents who helped provide the items necessary for all the stalls and to the stage 3 teachers and SLSO'S for their tireless participation all day! And a big thanks to Mr Taylor for submitting himself to countless hits to the head by a wet sponge.
