Have Your Say survey for the Before and After School Care (BASC) program

We want to offer families more flexibility with their work commitments and child care arrangements and to create more opportunities across the whole community. Having Out of School Hours Care available at local schools is a great way to achieve this.

As part of the NSW Government's \$120 million Before and After School Care (BASC) commitment, parents at all NSW schools were recently invited to complete a Have Your Say survey. The survey asked parents to tell us how they are using Out of School Hours Care, how much it costs them, whether they plan to keep using it, and what difficulties they experience in accessing it. The survey results have helped us to better understand the needs of families and what's important to them.

We are now asking all parents to complete a [quick follow-up survey](https://surveys.education.nsw.gov.au/s3/OSHCParentSurvey) by **Friday 27 November 2020**. You can access the survey at <https://surveys.education.nsw.gov.au/s3/OSHCParentSurvey>. This information will help us to target the rollout of more before Out of School Hours Care services in the right areas

If your child does not require Out of School Hours care, we ask that you please still complete the first section of this survey as it gives us important information about the level of demand at your school.

If you have any questions, please feel free to contact the BASC Program team by phone on 1300 244 145 or email at: BASCReform@det.nsw.edu.au
Sun Safety

As we move into the warmer months of the year and the UV rays from the sun intensify, it is imperative that all students wear their school hat whilst in the playground. Eden Public School adheres to the NSW Sun Safe regulations and all students without a hat during outdoor activities and playtimes will be required to stay in the shade.

Mitre 10 Rewards

We are very fortunate to have Mitre 10 as a partner with our school to support our Garden Program.

Eden Public School now has its own Mitre 10 rewards card. If you shop at Mitre 10 and would like to donate your points to the school account, this would help support our school vegetable garden. It would just be a matter of opting to have your rewards go onto the school account when you make a purchase.

RESPECT, RESPONSIBILITY AND RESILIENCE.
