ACHIEVE 125 YEARS OF EDUCATION
1857 TO 2020

Term 4 Week 10
15th December 2020

Respect Responsibility Resilience
Principal's Message

Principal Report

2020 has been a year like no other. From the devastating bushfires at the beginning of the year with many of our families being seriously impacted and the whole community being affected in some way as a result, to the significant effects we have all felt from the COVID-19 global pandemic that has affected us world-wide. This has been a year of many challenges and struggles for us all. As we move into the summer break, I would like to acknowledge the resilience of our community, the strength and the unconditional support that has helped us through. Despite the challenges we have all encountered, students at Eden Public School have continued to strive to achieve. Congratulations to all our students!

Farewell to Year 6 and I hope you enjoy the next stage of your learning and embrace the new challenges that High School will provide. Thank you to the parents who have supported these students throughout their primary school education.

Congratulations to all students who received awards at last week's presentation ceremony. It is wonderful to see so many students being recognised for their efforts.

Well done to Mrs Louise Hopson for receiving an award from our Director of Educational Leadership for her commitment to Environmental Education.

Thank you to our teaching and support staff for their hard work, dedication and professionalism throughout 2020. Our students benefit from an array of opportunities, due to the commitment of all staff.

Congratulations to the work of our 2020 School Leaders, Noah Heron, Ava Bolton, Sophie-Ella Loftus and Codi Lackey. What an outstanding job you have done leading your peers and working with staff whilst representing our school.

I would like to welcome as our new leaders for 2021. Ronnie Pill, Tama Robin, Yani Hayes and Daniel Dunne.

Wishing everyone a safe and happy holiday.

Please remember to donate your Mitre 10 Rewards to Eden Public School!!!

We are very fortunate to have Mitre 10 as a partner with our school to support our Garden Program. Eden Public School now has its own Mitre 10 rewards card. If you shop at Mitre 10 and would like to donate your points to the school account, this would help support our school vegetable garden. It would just be a matter of opting to have your rewards go onto the school account when you make a purchase.

RESPECT, RESPONSIBILITY AND RESILIENCE.

Tanja Vogt
Principal

JOKE CORNER

Q: What kind of ball doesn't bounce?

A: Snow ball!
