2020 Online Presentation Day Assembly
Our annual presentation day will be held at;

Eden Public School
Wednesday, 9th of December, 2020.
11am

*Due to current COVID-19 guidelines, parents are unable to attend. As a result, this will be an **online event**. Parents of all awardee recipients will be sent a link to participate in the **LIVE stream** of the presentation. This will be sent via email. All students will participate in the **LIVE stream** at school. The entire event will be recorded and made available to parents upon request.*

Step Up Day: Thursday 3rd December

To support all students with their transition into a new class/stage for 2021, Eden Public School will be providing students with an opportunity to spend some time in their 2021 classroom with their 2021 teacher. This is an exciting opportunity for everyone. On Thursday 3rd December, Year 6 students will be attending Eden Marine High School for the entire day, providing an opportunity for the remainder of the school to spend time orienting themselves in their new classrooms with their new teacher and new classmates. Students at Eden Public School will spend the morning session from 9-11.30am in their new rooms and return to their normal class for the remainder of the day. This is a new initiative for our students and it is hoped to provide the students with some familiarity for their 2021 placement.

There is a slight possibility of some minor adjustments to classes in the early part of 2021.

SCLC ART Show

We are excited to announce the recipients of the Directors' Choice Awards for our SCLC Virtual Art Show! Have Your Say survey for the Before and After School Care (BASC) program

We want to offer families more flexibility with their work commitments and child care arrangements and to create more opportunities across the whole community. Having Out of School Hours Care available at local schools is a great way to achieve this.

As part of the NSW Government's \$120 million Before and After School Care (BASC) commitment, parents at all NSW schools were recently invited to complete a Have Your Say survey. The survey asked parents to tell us how they are using Out of School Hours Care, how much it costs them, whether they plan to keep using it, and what difficulties they experience in accessing it. The survey results have helped us to better understand the needs of families and what's important to them.

We are now asking all parents to complete a [quick follow-up survey](https://surveys.education.nsw.gov.au/s3/OSHCParentSurvey) by **Friday 27 November 2020**. You can access the survey at <https://surveys.education.nsw.gov.au/s3/OSHCParentSurvey>. This information will help us to target the rollout of more before Out of School Hours Care services in the right areas.

If your child does not require Out of School Hours care, we ask that you please still complete the first section of this survey as it gives us important information about the level of demand at your school.

If you have any questions, please feel free to contact the BASC Program team by phone on 1300 244 145 or email at:

Mitre 10 Rewards

We are very fortunate to have Mitre 10 as a partner with our school to support our Garden Program. Eden Public School now has its own Mitre 10 rewards card. If you shop at Mitre 10 and would like to donate your points to the school account, this would help support our school vegetable garden. It would just be a matter of opting to have your rewards go onto the school account when you make a purchase.

RESPECT, RESPONSIBILITY AND RESILIENCE.

News from the Garden!

Thanks to funding from The Sustainable Schools Grant, the new worm farms are up and running with lots of worm juice being collected for the gardens. The new water tanks are also installed supplying rain water for the gardens. We have finally taken delivery of a mulcher so we can create our own garden mulch.

The past few weeks have seen many students enjoying the wonderful mulberries from our tree. We have also harvested, beetroots, radishes, asparagus, silverbeet, broccoli and cauliflower. Tomatoes, corn, zucchini, cucumber and herbs have been planted. They'll be ready for picking when we return to school next year.

Everyone is welcome to join the Garden Club at lunchtime on Wednesdays.

We hope next year to have more students from all years, spending time in the garden digging, looking for bugs and worms or just watching nature at its best!

Green Gang News

Last week, the team from Bournda Environmental Education Centre visited the school to carry out a waste audit. This was a follow up to see how our new FOGO program is going. The results were extremely promising. The students have reduced the amount of landfill by a considerable amount. There was also zero contamination of the FOGO bins.

As our Year 6 Green Gang members leave to venture off to High School, Year 4 students are stepping up to take their place. I would like to thank all the Year 6 students for their hard work and commitment this year.

Well done to the Green Gang and thanks to the support of all the students, staff and canteen, who have despite the difficult year, are working to make this project a success. Everyone should be very proud of the efforts they are making.

The school canteen and the P&C have decided to take the recycling a step further with the introduction of 'Return and Earn', for the recycling of drink containers and bottles. This will happen in the new year, so watch this space for details.

Have a safe holiday and best wishes for Christmas and the New Year.
