### Visible Learning

The Visible Learning Team is very excited to be launching the learner dispositions this term at Edén Public School.

A significant amount of work has gone into the development of the Visible Learning Dispositions and the team is finally ready to implement them into all classrooms K-6. The dispositions support student learning.

One disposition will be implemented into all classrooms each week.

Week 4	Think Critically
Week 5	Embraces Challenge
Week 6	Flexible
Week 7	Collaborate
Week 8	Self-Motivated
Week 9	Curious
Week 10	Culmination – Dress up day.

### Attendance Matters

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier, and your child will build and maintain friendships with other children.

What if my child must be away from school?

On occasion, your child may need to be absent from school.

Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

It is vital that all absences are explained!

If a child is away for 3 days, parent reply to absent text message needs to state **all the dates that the child was sick**. EG- Jack was sick 12/5 – 15/5/22. (Rather than just stating sick, because this is recorded only for 1 day)

Thank you for your ongoing cooperation.

For those who are new to our school, there is a small raffle held in each class, every Wednesday. The prizes are supplied by parents and/or teachers and tickets are 20c each with a spend limit of \$1.00 per child. The money raised, goes towards P&C funds which supports purchases for the school such as dictionaries, play equipment, tables and seating etc.,

Quote for the week: The only job where you start at the top, is digging a hole.

Thank you for your support and have a great week!

# PSSA TOUCH FOOTBALL

Super proud of our boys touch football team who travelled to Batemans Bay on Wednesday and played a fast and skilled game against Batemans Bay PS. Unfortunately we just went down 12-11. Thank you to Liz and Trav who drove up the team, I am super grateful for this support. Our boys should feel so proud of their efforts in making the quarter final, they played SO well! Thanks to Corey for his coaching

# WHATS HAPPENING IN PE THIS TERM!

Throughout the early stages of the Term K-2 students have continued to develop an understanding of movement concepts as they participate in a variety of physical activities. They have been busy practising their underarm and overarm throwing techniques and following directions in games such as 'freeze' and 'flip it'. Primary students continue to learn the skills of Touch Football and are enjoying employing these in modified games and drills. Our motto, in line with this Term's Premier's Sporting Challenge Race Around Australia program, is to be 'more active, more often'.
