DARE TO DREAM & ACT TO ACHIEVE
165 YEARS OF EDUCATION
1857 TO 2022

Term 3 Week 6
24th August

Respect Responsibility Resilience

Principal's Message

Attendance Matters

Eden Public School has a target to improve student attendance this year. This requires a joint effort by the community and the school.

Education for our children is important and regular attendance at school is essential for our learners to achieve their educational best and increase their career and life options. When your child attends school every day, learning becomes easier, and your child will build and maintain friendships with other children. What if my child must be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- ✚ being sick, or having an infectious disease
- ✚ having an unavoidable medical appointment
- ✚ being required to attend a recognised religious holiday
- ✚ exceptional or urgent family circumstance (e.g. attending a funeral)

It is vital that all absences are explained!

If a child is away for 3 days, parent reply to absent text message needs to state all the dates that the child was sick. EG- Jack was sick 12/5 – 15/5/22. (Rather than just stating sick, because this is recorded only for 1 day)

SRC News

Congratulations to our new SRC. The EPS SRC have met 3 times this semester to discuss fundraising ideas. For this term, the SRC voted on hosting a

CRAZY HAIR and PJ DAY!!!

This day will be held on Friday
2nd September, 2022.

The canteen will be supporting the day by selling special crazy ice-cream cones on the day.

The SRC have decided to raise money to buy some additional games for the school playground. Students are asked to bring a Gold Coin Donation for the event.

PCYC Fit4Life

PCYC and local volunteers deliver a weekly fun and fitness session every Tuesday morning from 7.30- 8.30am at Eden Public School. Students then get to participate in a healthy breakfast afterwards, prepared by volunteers. (Seems the hot cheese toasties are very popular)

This is a free activity, and all students are welcome to attend. So, come along for some fitness and fun.

Visible Learning

Remember to ask your child about the disposition of the week. One disposition will be implemented into all classrooms each week. This week we are focussing on Flexible Learners

Week 4	Think Critically
Week 5	Embraces Challenge
Week 6	Flexible
Week 7	Collaborate
Week 8	Self-Motivated
Week 9	Curious
Week 10	Culmination – Dress up day.

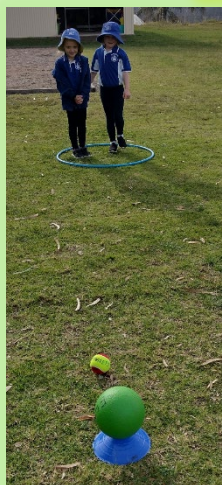

I can change and adapt my mindset to different ways of thinking, learning and responding.

Thank you for your ongoing support and cooperation

Tanja Vogt

WHATS HAPPENING IN PE THIS TERM!

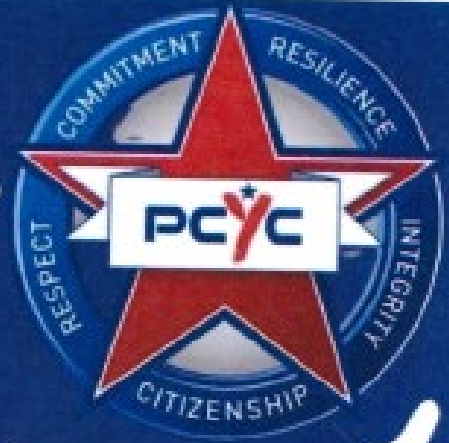

In PE this past fortnight, K-2 students have continued to follow our Race Around Australia motto of being 'more active, more often' and participated in a variety of physical activities to help promote active and healthy lifestyles. Despite the inclement weather and displaying great resilience, they have continued to practise their underarm and overarm throwing techniques and are becoming quite accurate! Stage 2 and 3 students eagerly continued employing their Touch Football skills within modified games and drills. We are beginning the Oztag program in this week so there will be further opportunity to use these skills and be active within a similar game.
