DARE TO DREAM & ACT TO ACHIEVE
165 YEARS OF EDUCATION
1857 TO 2022

Term 3 Week 8
6th September 2022

Respect Responsibility Resilience

Principal's Message

NAPLAN

NAPLAN test results provide information on how students are performing in literacy and numeracy and support improvements in teaching and learning. The data from NAPLAN test results gives schools and systems the ability to measure their students' achievements against national minimum standards and student performance in other states and territories.

Reports on individual student performance are provided to all students and parents/carers and will be sent home early next week.

Safety for Students

It is imperative that we keep our students safe when entering and exiting the school grounds. Students have designated entry and exit pathways. Please you ensure that your child adheres to the school procedures. Students are not to be encouraged to enter or exit through staff carparks.

Students who opt to ride their bikes or scooters to school must wear a safety helmet. As part of our duty of care, we cannot allow students to leave the premises on a bike or scooter without a safety helmet. We appreciate your support with this matter.

Head Lice

Head lice are small parasitic insects that live close to the human scalp. Head lice are pests but rarely pose a threat to health. Outbreaks can be minimised if parents and guardians regularly check children for head lice and follow the recommended treatment methods if active lice are found.

Adults are called lice and their eggs are called nits.

Head lice do not fly, jump, hop or swim – they spread by head-to-head contact by crawling.

Lice don't care about hair colour or hair type, and they love both clean and dirty hair. Head lice do not prefer a particular blood group.

Responsibility: Parents and guardians are responsible for checking and treating children for head lice. School staff are responsible for informing parents and guardians of cases or suspected cases of head lice.

Treatment: The two most common methods used for the treatment of head lice are chemical treatment and wet combing method:

Chemical treatments use pediculicides, which kill head lice and some nits.

Wet combing involves saturating the hair and scalp with a conditioner to stun the lice, making it easier to comb the lice and nits out of the hair.

Attendance Matters

It is vital that all absences are explained!

If a child is away for 3 days, parent reply to absent text message needs to state all the dates that the child was sick. EG- Jack was sick 12/5 – 15/5/22. (Rather than just stating sick, because this is recorded only for 1 day)

SRC News

Congratulations to our new SRC who raised \$176 from the Crazy Hair and PJ Day.

Visible Learning

Remember to ask your child about the disposition of the week. One disposition will be implemented into all classrooms each week. This week we are focussing on Self-Motivation.

Week 4	Think Critically
Week 5	Embraces Challenge
Week 6	Flexible
Week 7	Collaborate
Week 8	Self-Motivated
Week 9	Curious
Week 10	Culmination – Dress up day.

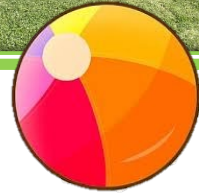

I choose to learn and continually strive to achieve my goals, despite challenges.

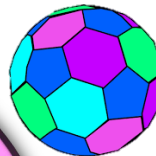

Thank you for your ongoing support and cooperation.

Tanja Vogt

WHATS HAPPENING IN PE TERM 3!

Over the Term all students have been participating in sporting activities to promote the message of being more active more often, in line with our Premier's Sporting Challenge Race Around Australia program. Activities focusing on movement, throwing and kicking skills for K-2 and, Touch Football and Oztag skills for Years 3 to 6, have provided opportunities to actively enjoy their PE lessons outdoors with their classmates.

P&C NEWS!

Hi everyone! Here is the raffle roster for the last three weeks of term 3.

If you are on the roster for **K-2D&1/2L** or **1-4B/5-6M**, you only need to donate one prize because these classes have been put together for the raffle.

07/09/22

KP-Sarah Giggins

KR-Alexis Timms

K-2D&1/2L-Alexis Timms

1/2C-Zoe Nicholson

1/2D-Bek Heffernan

1-4B/5-6M-Renee Dunne

3/4B-Amba Addinsall

3/4K-Alexis Timms

3/4P-Sarah Giggins

5/6H-Amba Addinsall

5/6J-Bek Heffernan

5/6E-Melanie Warren

14/09/22

School Holidays at the Library

Spring is around the corner and so are the school holidays. The Bega Valley Shire Library school holiday program is packed full of activities that encourage creativity, support literacy and get kids thinking all while they have a lot of fun. Pick up a brochure at your local library or visit the website to book.
