Respect, Responsibility and Resilience

Principal's Message

Presentation day

Eden Public School's presentation day will be held in the Eden Marine High School Hall on Thursday, 14th December at 10.30am. We look forward to celebrating our students' achievements and look forward to seeing you there.

Swim Scheme

This week is our last week of swimming scheme. Our students have greatly enjoyed the opportunity to learn the important skills of swimming and water safety. Thank you to Mrs Darmanin for her organisation and our teachers for supporting this important program.

Congratulations, Keira!!

Sapphire Coast Buslines recently ran an art competition where students were invited to design a bus wrap. We are thrilled that Keira was announced as the first prize winner! The judges were very impressed with the artistic talent displayed in Keira's design. Well done, Keira!!

Leaders 2024

Last week our ten potential school leaders delivered their speeches to our whole school. I am so incredibly proud of their courage, poise and determination. Each of their speeches were well crafted and demonstrated that each of these amazing students have the leadership skills we look for in school leaders. I wish them all the best of luck!

Have a fantastic week.

EPS were excited to have a visit from The Hon Kristy McBain MP Member for Eden-Monaro last Tuesday to see students enjoying their new outdoor learning deck that was built around our large gum tree in the playground. The upgrade was funded by a \$20,000 election commitment to improve landscaping and safety in the playground.
