TERM 2 WEEK 8

13th JUNE

2023

Respect, Responsibility and Resilience

Principal's Message

Before and after school care

Our school will be hosting ASPIRE OSHC, who provide before and after school care. This is a fantastic service available to our families to support with care before school from 7.00am-9.00am, after school between 3.00pm-6.00pm and during school holidays between the hours of 7.00am-6.00pm, Monday to Friday. If you are interested in enrolling your child, please visit the ASPIRE website at aspire-oshc.com.au

Athletics Carnival

Our athletics carnival is planned to go ahead next Friday, 23rd June. Students are encouraged to wear their house colours and participate in as many events as possible. Don't forget to bring sun protection and warm clothing. Keep an eye on Facebook in case there are any changes to the plan due to poor weather. Thank you to Ms Porter for her excellent organisation of athletics rotations and the carnival. Thank you also to Mr Taylor for your support.

Reports and Parent Teacher Interviews

Semester 1 reports will be sent home in Week 9 via email. Parents will have the opportunity to meet with their child's teacher and take part in parent teacher interviews in week 10. Further information about booking an interview will be provided soon.

Staffing News

The state government announced their plan to make an offer of permanent employment to eligible teachers and support staff. We are very lucky to have so many excellent staff members who are committed to our school, students and community. It is with great pleasure that I can announce that the following eligible staff members accepted the opportunity to move from temporary to permanent employment at Eden Public School:

Tracey Varley-Mitchell
Kid Radford
Julie Staight
Sue Graham

Liz Priestley
Narissa Dunne
Deb Jeffs
Alan Westley

Congratulations

It is with great excitement that we share the wonderful news of the safe arrival of Ms Jackson's bundle of joy. Tommy Jack Paxton arrived on the 25th of May and is happy, healthy and gorgeous. Congratulations Ms Jackson! We can't wait for visits and cuddles.

Have a great week,
Kara Duncan

WHAT'S GOING ON THIS TERM IN

I ♥ sport!!

Last week, we were very lucky to have Wyatt and Boady from Eden Marine High School, join us for work experience. The boys were welcomed by all EPS students, who showed a high level of respect towards them. Wyatt and Boady helped to design activities and coach students in cricket, athletics, AFL, basketball and athletic rotations.

WELL DONE to Wyatt and Boady for taking on the PE gig, you did an amazing job.

Strength and conditioning activities play a big part in EPS's athletics program. Students have developed knowledge and understanding of specific muscle groups and functional body movements that strengthen their whole body. Planking, push-ups, v-sits, tucks, star jumps, sit ups and burpees are just a few exercises students are refining during their PE lessons.

PAPER

SCISSORS

DID YOU KNOW!

Paper, Scissors Rock, is a way students work out their differences during their PE lessons. This game is one of the many strategies implemented in the PE program to assist in healthy self-regulation when issues arise between students.

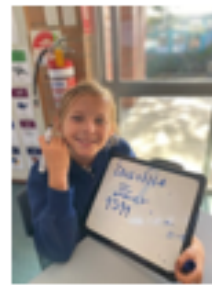

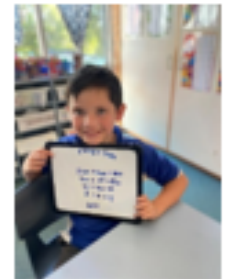

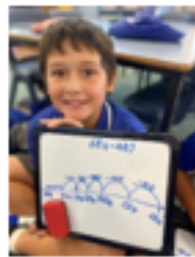

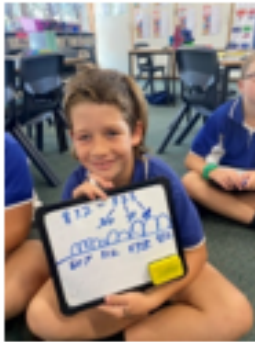

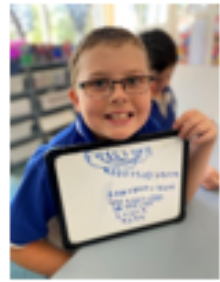

ROCK

Numeracy in 3P

The students in 3P have been working hard in Mathematics this term. We have been developing increasingly efficient strategies for addition and subtraction through games, hands-on activities and by using technology to support our understanding.

These strategies have come in handy when adding up our Dojo points, transferring them into Dojo Dollars and then spending them in our class shop!

Keep up the great work 3P! 😊

Maintenance work is available at public schools across the Southern NSW region.

The NSW Government has committed to the largest investment in planned maintenance of public schools in NSW history. A record \$1.3 billion is being spent on an ambitious delivery program, with over \$100 million being invested to upgrade and maintain school infrastructure in the Southern NSW region.

Want to work with us? We welcome all local trade and suppliers to join us at our Batemans Bay event.

ASPIRE OSHC provide high quality care and education to school aged children at Eden Public School. We aim to provide a fun and creative age appropriate program based on the "My Time, Our Place" National Framework for school aged children.

ASPIRE OSHC provide Before and After school care programs and Vacation Care. These programs develop and nurture children's minds.

ASPIRE OSHC promotes a healthy lifestyle through various activities for children to discover, learn and play. We create healthy habits by providing nutritional foods and a variety of opportunities to participate in active play.
