DARE TO DREAM & ACT TO ACHIEVE
166 YEARS OF EDUCATION
1857 TO 2023

TERM 3 WEEK 2

25th JULY

2023

Respect, Responsibility and Resilience

Principal's Message

Welcome back to Term 3!

I hope all our students and their families had a fantastic holiday break. It has been wonderful to see our students return ready to learn and challenge themselves this term. I am constantly impressed by our students' tenacity and commitment to their learning. It is always my favourite part of the day when I get the chance to talk with students, hear their stories and see them smile.

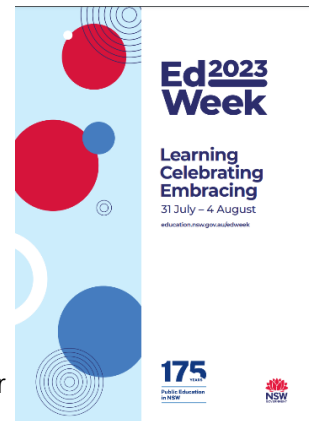

I am very proud of Eden Public School and am looking forward to another terrific term.

Staffing news

I would like to welcome Mr Matthew Stanger to our team at Eden Public School as our relieving Assistant Principal Curriculum and Instruction. Mr Stanger comes to us with a wealth of knowledge, skills and experience as a teacher and a leader and we are excited to have him at our wonderful school.

Education Week

Next week, our school will be celebrating Education Week. This year, we are celebrating 175 years of public education. Our school will be running activities to celebrate the week including inviting parents into our school to engage in fun activities in classrooms and an opportunity for students to dress up as a student from the 'olden days'. Keep an eye out for a flyer that will be distributed soon for further information.

Cultural Advisor

Alison Simpson is working closely with Eden Public School as the Cultural Advisor to help us build systems of support for our Aboriginal families and develop cultural safety across our school. Alison led a wonderful day of learning for our staff on the staff development day this term and is keen to contact our Aboriginal families to seek feedback and discuss how we could work together to improve educational outcomes for our students. A text message has been sent to families of students who identify as Aboriginal to inform you that Alison may be contacting you for feedback. If you do not wish to be contacted by Alison, please reply to the text or call the school on 6496 1169.

Works around the school

Our new security fence is currently being installed. There has been some disruption to access recently, which has meant that we have had to adjust our regular routines. I would like to thank our students, families and staff for your flexibility and understanding during this time.

NAPLAN

Students in years 3 and 5 will soon receive their NAPLAN report which will provide information to parents about your child's achievement. The reports look a bit different this year. Student's performance will now be reported against four proficiency levels which include exceeding, strong, developing and needs additional support. If you have any questions after receiving the report, please don't hesitate to contact your child's teacher.

Have a fantastic week.

Thank you for supporting the Jump Rope for Heart program!

Numeracy Activities in ID

'Daily Number Sense' routines form part of all our Mathematics lessons. Today's challenge was to see if we could find 20 ways to make nine.

Here are some completed addition sleuths!

Here are some addition sleuths working towards solving their problems.

Stage 3 Excursion to Jindabyne
