DARE TO DREAM & ACT TO ACHIEVE  
166 YEARS OF EDUCATION  
1857 TO 2023

**TERM 4 WEEK 6**  
**16<sup>th</sup> November**  
**2023**

## Respect, Responsibility and Resilience

### *Principal's Message*

#### Security fence

You may have noticed that our school security fence is now operational. Thank you for your patience throughout the installation process. The following are key points regarding procedures to be aware of:

- The gates will be locked during school hours between 9.15am to 2.45pm. To access the school site, visitors will need to press the intercom button on the gate and wait for our office staff to release the gate lock. You may need to identify yourself through the intercom. Once you are onsite you will need to attend the front office to sign in. This is a requirement to be on any school site.
- When you leave the school, you will need to press the intercom button again and the gates will be remotely opened by our office staff.
- It is important that families make appropriate arrangements to ensure that students are not dropped off at school before 8.30am as there is no direct supervision offered before this time. The gates will be opened in preparation for our students to arrive at school at 8.30am.
- Parents and students are NOT to use the carparks to access the school site for safety reasons.
- The service road on Calle Calle street will be locked throughout the day. At the end of the school day, students who exit the back gate will be supervised by teachers through the service gate. This gate will be opened to provide community access for special events, including school assemblies.
- Pedestrian gates will be opened at 2.45pm in preparation for the end of day procedures.

If you have further questions, please contact our school office on 6496 1169

#### Uniform reminder

Eden Public School's summer school uniform includes checkered shorts for girls and grey shorts for boys. Black shorts or black skirts of an appropriate length are also acceptable. All uniform items are available for purchase at our front office. We would like to remind families that black bike shorts or football shorts are not part of our uniform and should not be worn to school. We appreciate your support in this matter.

#### Step up day

We are in the process of finalising class structures and staffing in preparation for 2024. This year, we will again organise a day where students will be informed of their 2024 class and teacher. To support a smooth, anxiety free transition next year, students will spend the afternoon getting acquainted with their new teacher, classmates, and classroom environment. This year we will be running Step Up day on Wednesday 13<sup>th</sup> December. It is always an exciting day for our students and staff and I look forward to sharing class structures and staffing later this term.

Have a fantastic week.

# 4B TECHNOLOGY

## IN 4B WE USE TECHNOLOGY IN ALL SUBJECTS

Canva

Microsoft 365 and G Suite remain the core tools in the classroom, but Canva has recently been added to create posters, presentations, and publish writing. Canva is a versatile tool that offers fantastic graphics and other features.

Students have presented projects to the class and recently at a school assembly using Canva.

# CODING

Using the MakerCode Arcade program and Dash robots is a highly engaging way to teach coding to students. Not only does it provide a hands-on experience for learners, but it also allows them to see the immediate results of their code in action. The Dash robots can be programmed to move, light up, make sounds, and even react to their environment. This opens up endless possibilities for creative projects and challenges that can keep students motivated and excited to learn. Additionally, the MakeCode Arcade program provides a user-friendly interface that is easy for beginners to navigate, while still offering advanced options for more experienced coders. Overall, using MakeCode Arcade and Dash robots is a fantastic way to introduce coding concepts in a fun and interactive way.

# WHAT'S ON?

## November

Monday 20<sup>th</sup>: Swimming Scheme starts

Wednesday 22<sup>nd</sup>: Year 6 IN2UNI

Friday 24<sup>th</sup>: Combined Christmas scripture K-6

## December

# Sapphire Coast Bus Line Bus Wrap Competition

We are thrilled to announce that Keira Haenig, has won the bus wrap competition!

The judges were very impressed with the artistic talent displayed in her design, which earned her the first prize for primary school participants.

Well done Keira!

# Community News!

## Congratulation to Dr Corin Miller and the team at Eden Kids Clinic – Djing.gii Gudjaagalali

Dr Corin Miller received the Rural/Remote Health Professional of the Year Award for her outstanding contributions to transforming outpatient paediatric care in Eden. As the Lead GP, she has created the Djing.gii Gudjaagalali Kids Clinic, introducing an innovative model of care that coordinates the care of children and families from the school grounds, linking with local services. Dr Miller's dedication to her work and her commitment to strengthening paediatric primary care in rural Australia are truly commendable. Eden Public School would like to thank Dr Corin Miller for her commitment to our community and exceptional work she has done to provide quality medical care to our students and community.
